Show section classification (where all animals must be shown)

- Females – Born on or after 1 April 2023
- Bulls – Born on or between 1 October 2023 and 25 April 2025
- Classes – Will be divided into appropriate age groups
- Bulls – Will be subject to an **upset price of 2,000gns**

For sale only section

- Females entered **for sale only** will be sold in breeder order decided by ballot. No females born before **1 April 2017** will be accepted.
- Exhibitors are asked to note that **all** cattle, including **non-show** females **must** be **halter-tied** for the pre-sale inspection (when vendors **must** be present) and **washed** and **groomed** so as to improve overall presentation of the breed.
- Herd reductions and dispersals will also be allowed but any bulls (other than calves at-foot) must be entered in the show and sold in catalogue order within that section. Consignments, reductions and dispersals will be subject to the pre-sale inspection on the day before the sale. Any considered to be below breed standard or not in an acceptable condition will be rejected. Exhibitors wishing to seek a second opinion prior to submitting their entries may call upon their council members for advice. However, the decision of the appointed veterinary surgeon carrying out the pre-sale inspections will be final and binding on all parties.

General

- All entries, male and female (with the exception of calves at-foot) **must** be DNA tested and samples submitted by **Friday 6 March**. Any animal proving to be a carrier of hypotrichosis will not be accepted into the sale.
- All entries will be subject to the society's pre-sale inspection on the day before the sale, commencing at 2.00pm. After this time, no cattle will be accepted into the auction centre. **All** cattle will also be numbered at the same time. Any cattle rejected must be removed from the auction centre prior to the morning of the sale or moved to designated pens as instructed.
- Please ensure that all particulars relating to your entry/ies are the same on both the **pedigree certificate and BCMS passport**.
- **TB:** All entries (including calves) must have been subjected to a TB test **within 60 days** of the sale (i.e. on or after **Monday 23 February 2026**).
- **BVD:** All entries **must** be tested and vaccinated as per the instructions issued by the society.
- The society's **official sale herd health declaration form** must be received by **Friday 6 March** along with the entry forms.
- In the case of both TB and BVD, a signed **sale animal declaration form** issued by the society **must** be submitted to the office at least one week before the sale.
- All females born more than 24 months before the date of sale must either have a calf at-foot or be warranted in-calf. Any female stated as served or running with more than 10 weeks prior to the sale will be automatically warranted in-calf irrespective of her age.
- Exhibitors are requested to note that any animal(s) sold outside the sale ring at the auction centre **must** be booked through the auctioneers and the relevant commission paid.
