

## **Agenda item 5.0**

**To discuss accountancy and auditor remuneration for 2023/2024**

### **Accounts and audit fees 2023/24**

Due to the current economic environment and rising costs, Thorne Widgery have increased their fees across the board this year, and combined with increased legislative demands in the audit work they have needed to increase the audit fee in particular.

Therefore the fee for the accounts and audit for the year ended 30 June 2024 will be a total of £8350 + VAT.
